

PUT YOURSELF HERE

SIMPLY BY SAVING \$2.74 PER DAY

*Start saving today ...
relax tomorrow.*

Dreaming of a relaxing tropical vacation? With a little help from Fiscal Credit Union, you can dust off your sunglasses, break out the tanning lotion and reserve a lounge chair of your very own.

Here's the plan:

1. Set your savings goal, then divide it into monthly, weekly, or bi-weekly amounts.
2. Open a separate Vacation Account here at Fiscal Credit Union.
3. Ask us to arrange Payroll Deduction or automatic transfers to make it really easy!

If you set aside just \$2.74 a day, by the end of a year you will have \$1,000 saved up – plus interest!

We will be happy to set up an account for your vacation getaway, holiday expenses, year-end taxes or whatever you want! Remember, for longer-term savings goals we have solid savings and investment options including Money Market Accounts, Certificates and IRAs.

Give us a call, stop by your nearest Fiscal Credit Union branch location, or visit us online at www.fiscal.org for more information.
